Your name, address, phone number, and your health care records may be used to contact you regarding appointment reminders, to provide information about alternatives to your present care, or to other health related information that may be of interest to you.

If you are not at home to receive an appointment reminder, a message may be left on your answering machine. Further, you have the right to inspect or obtain a copy of the information we will use for these purposes. You also have the right to refuse to provide authorization.

Under Federal Law...

We are also permitted or required to use or disclose your health information without your consent or authorization in the following circumstances:

****If we are ordered by the courts or another appropriate agency.**

Any use or disclosure of your protected health information, other than as described in the examples outlined above, will only be made upon your written authorization. We normally provide information about your health care to you in person at the time you receive chiropractic care from us. We may also mail information to you regarding your health care or about the status of your account. If you would like to receive this information at an address other than your home or, if you would like the information in a different form, please advise us in writing as to your preferences. You have the right to inspect and/or copy your health information for seven years from the date that the record was created or for as long as the information remains in our files. In addition, you have the right to request an amendment to your health information. Requests to inspect, copy or amend your health related information should be provided to us in writing.

This office utilizes an “open-adjusting” environment for ongoing patient care. “Open adjusting” involves several patients being seen in the same adjusting room at the same time. Patients are within sight of one another and some ongoing routine details of care are discussed within earshot of other patients and staff. This environment is used for ongoing care and this is NOT the environment used for taking patient histories, providing examinations or presenting report of findings. These procedures are completed in a private, confidential setting. The use of this format is intended to make your experience with our office more efficient and productive as well as to enhance your access to quality health care and health information. If you choose not to be adjusted in an open-adjusting environment, other arrangements will be made for you.

This notice is effective as of _____. This notice, and any alterations or amendments made hereto, will expire seven years after the date upon which the record was created. My signature acknowledges that I have received a copy of this notice.
